

Fulton Flyers Women Development Cycling Team - Support Programs 2010

Team supporters want to get involved in different ways, so we expanded our Support Programs. As a Patron Sponsor you can make tax deductible donations directly to the team. As a Web-Based Partner you provide support via your website or social networking pages.

Contact us at ffccjuniors@comcast.net to be a part of team's support network today!

Fulton Flyers Patron Sponsors Program

A major part of any cycling team is the budget. All funds from our Patron Sponsors go directly to getting our team of six young ladies to the big races. Our team is built on rider development & we work to expose our riders to higher level racing. Your tax deductible donation helps our young riders take the next step in their cycling. We accept cash & product donations!

Common Levels of Support

Gold: \$200 Silver: \$100 Bronze: \$50 Other Amount: _____

Your Name : _____

Your Email: _____

Please print this page and send it with your check made payable to:

FFCC Women's Team
c/o Lamar Mauney
921 Cedar Bluff Trail
Lilburn, GA 30047

Or make a PayPal donation to: ffccjuniors@comcast.net – Message Subject “FFCC Women”. Add your name & email address in Message box.

Web-Based Partner Programs – No Cost!

Business Programs

Ideal for companies, organizations or individuals with a website. The Partner places a Fulton Flyers team logo on their website, linked to www.fultonflyerscycling.org. We post your logo and link on our website. We keep our content “G rated” and cycling focused. No diversions or open forums. We want to make a good impression on visitors from your website!

Business Plus Program: includes the Base Program, and adds the opportunity to enclose a business card sized note about the team in your “snail mail” correspondence (such as invoices). We will provide team business cards imprinted with a short note about our sponsor affiliates.

Social Networking Program

Ideal for individuals and supporters of the team with pages at Facebook, MySpace or other social networking websites. The Team Supporter places a Fulton Flyers Development Team logo on their social networking site, with a link to www.fultonflyerscycling.org. It's that simple! We keep our website content “G rated” and cycling focused – no diversions into other realms. We want to make a good impression on you and your friends!
